<b>B. NAME OF EMPLOYEE</b> <i>(Last, First, Middle Initial)</i>		<b>C. PLACE OF ACTUAL RESIDENCE AT TIME OF APPOINTMENT</b> <i>(To be determined at time of initial agreement)</i>
<p>1. 5 U.S.C. 5722 provides, under certain conditions, for travel and transportation expenses of the employee and his immediate family, movement and storage of household goods and personal effects, and certain other allowances incident to employment at places outside the 48 contiguous States and the District of Columbia, except movement and storage of household goods is not allowed for round-trip renewal agreement travel. Under the law, the allowances contained therein shall not be authorized unless the employee agrees in writing to remain in the Government service for a prescribed period of time. Accordingly, to establish eligibility for travel and transportation the following agreement must be executed.</p> <p>2. I understand and agree that:</p> <p style="padding-left: 40px;">a. Until I have completed the prescribed tour of duty, which is _____ months, I will not be eligible for return travel and transportation allowances at Government expense for myself, my dependents, or my household effects, to my place of actual residence stated above for purpose of separation from the service, unless the reason for earlier return is for reasons beyond my control and acceptable to the employing activity.</p> <p style="padding-left: 40px;">b. I will remain in the Government service for a minimum period of 12 months, beginning with the date of my arrival at my overseas permanent duty station, unless separated for reasons beyond my control and acceptable to my employing agency. If I fail to serve the required minimum period of time, or if I am removed for cause before expiration of the required minimum period of service, I will, upon demand, repay to the Government a sum of money equivalent to that expended by the Government for transportation and subsistence of myself and dependents, cost of shipment of my household goods and personal effects, if involved, and any other related allowances incident to my transfer, from beginning point of travel to duty station. The employing Agency may withhold any final pay due to me to apply against or liquidate any indebtedness arising from a violation of this agreement.</p> <p>3. I understand that the period of service specified above is for the sole purpose of establishing my eligibility for travel and transportation at Government expense.</p> <p>4. I understand that I may be required to use commercial or Government aircraft for necessary travel to or from my overseas post of duty unless a medical reason precludes the use of aircraft.</p> <p>5. I understand and agree that the address shown above is my place of actual residence and that it will be used for the purpose of determining transportation entitlement and that it is not subject to later change for personal reasons.</p> <p>6. I also understand that, except as provided in JTR, par. C4100, I will not be entitled to any further transfers (Permanent Change of Station) within the DoD, at Government expense, for a period of 12 months from the date of this transfer. This policy does not preclude my acceptance of another position for which permanent change of station expenses may not be allowed.</p>
